

New Phone Service Letter Of Authorization

Dear Customer:

Thank you for choosing BroadStar as your service provider. In order to transition your current telephone number, we must work with your previous Service Provider to ensure that your number is transferred and service is uninterrupted. This request may take 7-10 business days to complete. Please note that any transfer will be subject to meeting the LNP criteria and completion of this letter does not guarantee that BroadStar will always be able to port the number.

Your current Service Provider requires this letter as proof that you have explicitly authorized and requested that your service and current **Billing Telephone Number (BTN)** to be transferred to another Service Provider. By completing all information requested below, signing and dating this letter, you provide us with the authorization to initiate the process of canceling your current telephone service and transferring your telephone number across to BroadStar. You will then be able to use your existing number with your new BroadStar service.

We also require a valid copy of your most current telephone bill which must list the invoice date and same name, address, and BTN as listed below.

Please ensure that the following information is completed accurately to prevent possible delays. Details to be typed or printed in BLOCK CAPITALS ONLY, all sections must be fully completed. Incomplete forms will be returned.
